DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on April 7, 2005 has been entered.

Claims 1-2, 4-10, 14-15, 18, 20-26, 28-33 and 35 are pending in this application.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification, page 1, following the title, insert the following paragraph:

This application claims the benefit of U.S. Provisional Application No. 60/256,855 filed December 20, 2000.

Reasons for Allowance

The closest reference of record, EP 443862 teaches triamine compounds, see formula (I) in page 1 and the species of Example 1. The instant claims differ from the reference compounds by having a specific substituent R³ on the aliphatic chain that links the aryl group (R¹) and the carboxamido group. The reference does not teach or fairly suggest such compounds and therefore, the instantly claimed compounds are deemed to be novel and patentably distinct.

Receipt is acknowledged of the Information Disclosure Statement filed on April 7, 2005 and copy is enclosed herewith.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Deepak Rao whose telephone number is (571) 272-0672. The examiner can normally be reached on Tuesday-Friday from 6:30am to 5:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Dr. Mukund Shah, can be reached on (571) 262-0674. If you are unable to reach Dr. Shah within a 24 hour period, please contact James O. Wilson, Acting-SPE of 1624 at (571) 272-0661. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (571) 272-1600.
